NOTICE TO HOLDERS

AIRLIE LCDO I (AVIV LCDO 2006-3), LTD. CLASS D NOTES (the "NOTES" AND A HOLDER THEREOF A "NOTEHOLDER")

AND TO THE PARTIES LISTED ON EXHIBIT B ATTACHED HERETO.

(CUSIP numbers for Transactions listed on Exhibit A attached hereto and made a part hereof.)

(Notice Date: June 5, 2015)

Reference is made to that certain Indenture (the "*Indenture*") dated as of November 1, 2006, by and between Airlie LCDO I (Aviv LCDO 2006-3), Ltd. as Issuer, Airlie LCDO I (Aviv LCDO 2006-3), Corp., as Co-Issuer and U.S. Bank National Association, as indenture trustee (the "*Trustee*"). The transaction governed by the Indenture is sometimes referred to herein as the "*Transaction*." Capitalized terms used herein and not otherwise expressly defined shall have the respective meanings assigned to such terms in the Indenture.

This notice is being provided to you because the Trustee has entered into a settlement agreement with Lehman Brothers Special Financing Inc. ("LBSF"), subject to approval of the Bankruptcy Court as described below.

In prior notices, the Trustee informed Noteholders of a dispute with LBSF with regard to the priority of payment of a termination payment allegedly due and payable to LBSF under the terms of a Credit Swap Agreement that is a material part of the Transaction. As you will recall, LBSF, the Credit Swap Counterparty, takes the position that the termination payment is due and payable prior to payments due Noteholders. As we also reported, this, or a similar, issue is the subject of litigation in the United States Bankruptcy Court for the Southern District of New York (the "*Bankruptcy Court*").

The Trustee and LBSF as Credit Swap Counterparty, entered into a settlement agreement, approval of which is pending before the Bankruptcy Court (the "*Settlement Agreement*"). Under the terms of the Settlement Agreement, certain funds will be released to LBSF as the Credit Swap Counterparty. In addition, each remaining Noteholder shall be paid \$ [REDACTED] per \$1,000

original principal amount for each Note held thereby (the “*Settlement Offer*”) in complete and final satisfaction of all claims (including without limitation any and all claims for payment of additional principal of or interest on such Notes), **unless** such Noteholder timely objects in the manner set forth below (an “*Objecting Noteholder*”). Additionally, the Settlement Offer is subject to a further condition that the Trustee receives an opinion, recommendation, or other information from a third-party expert that the Settlement Offer is fair and reasonable under the circumstances (the “*Fairness Letter*”); *provided, however*, that such condition will not apply to those Notes where the related Noteholder instructs the Trustee in writing to waive receipt of the Fairness Letter with respect to its Notes.

The following shall apply to **each Noteholder that does not object**:

- If the Trustee receives the Fairness Letter, each such Holder shall have its Notes cancelled; shall be paid the amount of the Settlement Offer for such Notes as a single, final lump-sum payment; and, all claims and rights of such holder under such Notes, including, without limitation, any right to claim for payment, shall be fully and finally terminated and released (the “*Release*”).
- If the Trustee has been instructed by such Noteholder to waive receipt of the Fairness Letter with respect to its Notes, such Noteholder shall have its Notes cancelled; shall be paid the amount of the Settlement Offer for such Notes as a single, final lump-sum payment; and, shall be subject to the Release, in each case whether or not the Fairness Letter is received by the Trustee.

The following shall apply to **each Objecting Noteholder**:

- All Notes held by an Objecting Noteholder will continue to be outstanding; the Objecting Noteholder shall not receive the Settlement Offer; and, such Objecting Noteholder’s rights in respect of such Notes shall not be subject to the Release. The Trustee shall retain the current amount held by the Trustee in an Escrow Account with respect to the Notes of the Objecting Noteholder(s) as of the date of approval of the Settlement Agreement to secure any payment to which Noteholders of such Notes may be entitled upon either a consensual settlement of the issues surrounding the priority of the Credit Swap Agreement termination payment or, alternatively, the successful litigation of those issues as pertaining to such Notes.

The following shall apply to **Noteholders that (1) do not object and (2) have not instructed the Trustee to waive receipt of the Fairness Letter condition if the Trustee does not receive the Fairness Letter**:

- All Notes held by such Noteholders, other than LBSF, will continue to be outstanding, and none of such Noteholders shall receive the Settlement Offer; and, such Noteholders’ rights in respect of such Notes shall not be subject to the Release.
- The Trustee shall retain the current amount held by the Trustee in an Escrow Account with respect to the Notes of such Noteholder(s) as of the date of approval of the Settlement Agreement to secure any payment to which such Noteholders

may be entitled upon either a consensual settlement of the issues surrounding the priority of the Credit Swap Agreement termination payment or, alternatively, the successful litigation of those issues as pertaining to such Notes.

As noted above, the Fairness Letter condition will not apply to those Notes where the related Noteholder instructs the Trustee in writing to waive receipt of the Fairness Letter with respect to its Notes.

Please note, prior to taking further action related to any dispute concerning the Notes which are not subject to the Release, the Trustee will require that related Noteholder(s) provide written direction and indemnity regarding, and fund, any litigation or other recovery efforts to be undertaken with respect thereto.

Under the terms of the Settlement Agreement, if approved, each of LBSF, Lehman Brothers Holdings Inc. ("LBHI"), as the credit support provider for LBSF under the Credit Swap Agreement and as bankruptcy plan administrator for LBSF and LBHI, releases U.S. Bank, individually and as Trustee, from any and all claims which arise out of the Transaction.

The Settlement Agreement is required to be maintained as confidential. However, the Trustee may share a copy of the Settlement Agreement with Noteholders or Preference Shareholders so long as such Holders execute a confidentiality agreement. To obtain a copy of such confidentiality agreement, or to instruct the Trustee to waive the Fairness Letter condition, please contact the Trustee in writing as follows:

As reflected in the Motion, the Bankruptcy Court is asked to preserve the legal rights of any Objecting Noteholder with respect to the issue of the priority of the Credit Swap Agreement termination payment and the rights of other Noteholders. The Settlement Agreement provides an opportunity for Noteholders to decide whether they wish to accept the Settlement Offer and be subject to the Release or to reject the Settlement Offer, not be subject to the Release and reserve their right to pursue claims under their Notes (in which case such Holder must file an objection on a timely basis in accordance with the preceding paragraph). **NOTEHOLDERS SHOULD CONSULT THEIR OWN ADVISERS CONCERNING THIS DECISION AND MUST ACT PROMPTLY. RIGHTS MAY BE LOST IF AN OBJECTION IS NOT FILED WITH THE BANKRUPTCY COURT ON A TIMELY BASIS.**

Receipt of this notice should not be construed as evidence or acknowledgment of any requirement applicable to, or of any right or authority on the part of any recipient under the Indenture to direct, the matters addressed herein, or of any obligations on the part of the Trustee with respect thereto, and the Trustee expressly reserves all rights in determining appropriate actions and requirements concerning these matters.

Prior to any distribution to Noteholders, funds held under the Indenture may be used first for payment of the fees and costs incurred or to be incurred by the Trustee in performing its duties, as well as for any indemnities owing or to become owing to the Trustee. These include, but are not limited to, compensation for time spent, and the fees and costs of counsel and other agents employed, to pursue remedies, defend claims, or take other actions to protect the interests of the Noteholders and the Issuer, respectively. The Trustee is not required to expend or risk its own funds in connection with any matter under the Indenture unless adequate reassurance of payment and/or indemnity is provided to it.

The Trustee reserves all rights under the Indenture. Please be aware that the Trustee may conclude that a specific response to particular inquiries from individual Noteholders is not consistent with equal and full dissemination of information to all Noteholders. Noteholders should not rely on the Trustee as their sole source of information.

The Trustee makes no recommendations and provides no investment, legal or tax advice with respect to the Settlement Offer, in connection with the Notes or Indenture or otherwise. Each Noteholder should seek advice from an independent advisor based on such Noteholder's particular circumstances.
